

# CPTED

CRIME PREVENTION THROUGH ENVIRONMENTAL DESIGN

**December 10-12, 2019 in Charlotte, NC**

CPTED is the proper design and effective use of the built environment to reduce the fear and incidence of crime and improve quality of life.

Cities and Counties throughout the country are requiring site plan reviews with crime prevention in mind. Local government staff who are specially trained in CPTED are now working closely with Land Use and Transportation Planners, Architects, City Officials, Law Enforcement, and Educators to ensure the proper design of structures, schools, and neighborhoods.

## 24 HOURS OF ADVANCED TRAINING

FOR USING CPTED PRINCIPLES IN THE DESIGN OF:

- Schools
- Public Art
- Parks
- Comfort Stations
- Public Transportation
- Terror Mitigation

Find more information about CPTED at: <http://www.cptedtraining.net>

### INSTRUCTOR ART HUSHEN

National Institute of Crime Prevention, Inc.  
President

Art was assigned to the Tampa Police Department's Special Operations Bureau / CPTED Section where he was instrumental in the creation of the Department's CPTED Unit and Tampa's first CPTED Ordinance for the Westshore Business District.

CPTED professional designation requires 40 hours of basic training as well as 24 hours of advanced training within two consecutive years. To register for this workshop, you must complete basic training by December 10, 2019. In order to receive certification, participants **MUST** attend all three days in entirety.

The **\$460 registration fee** includes:

- all training materials,
- access to the CPTED library,
- **breakfast and lunch for all three days,**
- and a certificate of attendance for those completing the full 24 hours.

Workshop Location: **Centralina Council of Governments**

9815 David Taylor Dr., Charlotte, NC 28262, 704-372-2416
