

Basic Crime Prevention Through Environmental Design

CPTED Professional Designation Qualifying Course

November 4-8, 2019 • Bellingham Police Department

INSTRUCTOR: Art Hushen is the President/Owner of the National Institute of Crime Prevention (NICP, Inc.), a global training and consulting company specializing in Crime Prevention Through Environmental Design. (CPTED) The NICP maintains the nationally recognized CPTED Professional Designation (CPD) Program.

Prior to the creation of NICP, Inc., Art was assigned to the Tampa Police Department's Special Operations Bureau / CPTED Section where he was instrumental in the creation of the Department's CPTED Unit and Tampa's first CPTED Ordinance for the Westshore Business District, which is the largest Business District in Florida. He implemented the CPTED review process for the Tampa Parks Department Greenways and Trails Master Plan. He worked with the Tampa Housing Authority on their Hope VI program and was part of the task force implementing design guidelines. He completed the CPTED review process for the West Tampa Overlay District, East Tampa Overlay District, and the Tampa Lighting Initiative. Art also completed the City of Tampa's Downtown Security Guideline requirements under the Mayor of Tampa's Downtown Initiative. He implemented CPTED strategies into security and design reviews of commercial buildings, schools, multifamily housing, and residential communities. Art implemented similar strategies in zoning ordinances, land use development, public transportation, and roadway design through traffic calming. He has conducted numerous CPTED site reviews and security surveys for the City of Tampa as well as for the National Institute of Crime Prevention.

As President of NICP, Inc. he continues a similar process of implementing CPTED concepts and strategies at a national level through training programs and consulting with various government, private sector, and nonprofit groups. Through the implementation of the CPTED Professional Designation (CPD) Program the NICP has set a standard for professional recognition for those earning the CPD.

Art received his Crime Prevention Practitioner Certification and CPTED Designation through the Florida Crime Prevention Training Institute where he assisted in the creation of the Advanced CPTED program, the State standards for the CPTED Designation, Critical Infrastructure and CPTED, Making Schools Safe by Design program, CPTED for Hospitals, and Lighting for Safety He is the lead CPTED instructor for the Florida Attorney General's Office specializing in Basic & Advanced CPTED, and Advanced CPTED Topics. Art is also an instructor for D-PREP, LLC specializing in Basic and Advanced CPTED. Art holds a Bachelor of Arts degree in Criminology from the University of South Florida.

Art is the past Chairman of the Florida Design Out Crime Association (FLDOCA), Past Board Member of the International Society of Crime Prevention Practitioners (ISCPP), Past Board Member of the International CPTED Association (ICA) and is a member of ASIS International and previously served on the ASIS Physical Security Council. Art has conducted seminars and training through the United States and has been a guest speaker / trainer in Canada, South America, the Caribbean, the United Kingdom, and Europe. Art is a recipient of the Florida Design Out Crime Association Lifetime Time Achievement Award.

BENEFITS OF ATTENDING: Cities and Counties throughout the country are adopting CPTED ordinances requiring site plan reviews with crime prevention in mind. Law enforcement officers who are specially trained in CPTED are now working closely with Planners, Architects, City Officials, and Educators to ensure the proper design of structures, schools, and neighborhoods. Participants will learn how the design and use of the environment can control human / criminal behavior and reduce the fear of crime. They will learn crime prevention through natural means. How natural access control and natural surveillance decrease the opportunity for crime. Participants will learn the different aspects of lighting and its effects on human behavior. Participants will work together on a site survey and provide a group presentation of their results utilizing CPTED strategies. They will learn the advantages of having a CPTED ordinance and how to construct and present it to lawmakers.

AGENDA

All scheduled topics may vary on time and date presented.

Morning coffee, snack, and lunch are provided each day.

DAY 1

- Registration & Introduction
- Introduction to CPTED
- CPTED Definitions and Strategies
- CPTED and the Design Process
- "Design Out Crime" Program
- Barriers: Real vs. Symbolic—Landscaping, Fencing, and Interior Walls

DAY 2

- Lighting for Safety and Security
- Planning, Zoning, and CPTED
- "Designs For Walkable Neighborhoods"
- Community Enrichment-Using Design Strategies (practical exercise 1)

DAY 3

- Traffic Calming & CPTED
- Writing a CPTED Ordinance / Overlay Districts
- Understanding Site Plans
- Site Plan Review
- Group Site Plan Review (practical exercise 2)
- Group Site Plan Presentations
- CPTED Around the Globe

DAY 4

- CPTED Report Writing
- Sample Field Assessments
- Preparation / Assignments / Field Assessments
- Field Assessments (field exercise #1)
- Field Assessments
- In Class Preparation

DAY 5

- CPTED Exam
- In Class Preparation
- Class Presentations (practical exercise 3)
- Class Presentations
- Review / Questions / Comments

REGISTRATION

Please contact Renee Firos at rfiros@cob.org to register for the class. Payments will be accepted by check or an invoice can be issued to your department (no credit cards).
