

Basic Crime Prevention Through Environmental Design

NICP CPTED Professional Designation Qualifying Course

November 18 – 22, 2019

8am to 5pm

at

Rocky Mountain Information Network (RMIN)
2001 West Pinnacle Peak Road
Phoenix, AZ 85027

Brought to you by the

Arizona Crime Prevention Association & National Institute of Crime Prevention

Benefits of Attending

Cities throughout the country are requiring site plan reviews with crime prevention in mind. Law Enforcement, Planners, Architects, City Officials, and Educators are working to ensure the proper design of structures, parks, public transportation, neighborhoods and schools. In this class, participants will learn how the design and use of the built environment can control human / criminal behavior and reduce the fear of crime. Participants will learn the different aspects of lighting, access control and the effects of natural design on human behavior. Participants will work together on a site survey utilizing CPTED strategies and the advantages of having a CPTED ordinance and how to construct and present it to lawmakers.

Instructor

Art Hushen is the President/Owner of the NICP, Inc. and was assigned to the Tampa Police Department's Special Operations Bureau / CPTED Section where he retired from in 2006. He was instrumental in the creation of the Department's CPTED Unit and Tampa's first CPTED Ordinance for the Westshore Business District, the largest Business District in Florida. He implemented the CPTED review process for the Tampa Parks Department Greenways and Trails Master Plan. He worked with the Tampa Housing Authority on their Hope VI program and was part of the task force implementing design guidelines.

Art received his Crime Prevention Practitioner Certification and CPTED Designation through the Florida Crime Prevention Training Institute where he assisted in the creation of the Advanced CPTED program and the State standards for the CPTED Designation. He is an instructor for the Florida Attorney General's Office and the American Institute of Crime Prevention specializing in Basic & Advanced CPTED, and CPTED in schools. Art is recognized as a Crime Prevention Specialist through the International Society of Crime Prevention Practitioners and is a graduate of the National Crime Prevention Institute, Fox Valley College, and the American Crime Prevention Institute in both Basic and Advanced CPTED. Art holds a Bachelor of Arts Degree in Criminology from the University of South Florida. Art has conducted seminars and training through the United States and has been a guest speaker / trainer in Canada, South America, the Caribbean, the United Kingdom, and Europe.

- Review / Questions / Comments

Equipment to Bring

All participants will have access to a CPTED library and will work as a group to complete and present a graded CPTED Field Assessment. Each group will need to take pictures of their site and incorporate these pictures into a PowerPoint presentation. It is suggested that participants bring a digital camera or camera phone along with any equipment required to download files to a laptop computer. Each group will need at least one laptop computer to create their PowerPoint presentation, so it is recommended.

Lodging

We have been able to obtain an excellent rate for the Training with Hampton Inn and Suites for \$116.00 per night, plus tax, and includes free WiFi as well as daily breakfast.

Hampton Inn and Suites by Hilton Phoenix North Happy Valley: 2550 West Charolette Drive, Phoenix, AZ 85085, Ph: 623-516-9300. *This hotel is approximately one mile from the training location. \$116.00 per night*
