## THE MINNESOTA CRIME PREVENTION ASSOCIATION

INVITES YOU TO ATTEND

## Crime Prevention Through Environmental Design

WASHINGTON COUNTY  
GOVERNMENT CENTER  
14949 62ND STREET NORTH  
STILLWATER MN

## WHAT IS CPTED?

Crime Prevention Through Environmental Design, or CPTED (pronounced sep-ted), is based on a theory that through proper design and effective use of built environments, the incidence of crime and the fear of crime can diminish and the general quality of life can improve for a community. CPTED provides principles for planning and designing safe communities and improving safety measures of existing developments.

## OBJECTIVES

This course covers the general principles of CPTED, including crime prevention and security strategies, a thorough analysis of proper design and development applications and ways to develop community partnerships in an effort to apply CPTED to all types of city developments. Interactive work is included in the training to help participants diagnose problems and formulate effective responses.

## WHO SHOULD ATTEND?

Law enforcement professionals, city and private planners, government officials and other crime prevention practitioners and leaders who are looking to innovative ways to prevent crime in their communities.

## INSTRUCTOR

Art Hushen is the President/Owner of the National Institute of Crime Prevention (NICP, Inc.), a global training and consulting company specializing in Crime Prevention Through Environmental Design. (CPTED). Art started his law enforcement career in Texas in 1977 and has held a variety of positions. Art is currently retired from the Tampa Police Department's Community Relations Bureau as a Crime Prevention Officer. He was instrumental in the creation of the City of Tampa's first CPTED Ordinance for the Westshore Business District, which is the largest Business District in Florida. He implemented the CPTED review process for the Tampa Parks Department Greenways and Trails Master Plan, which include over 80 miles of trails.

Art received his Crime Prevention Practitioner certification through the Florida Crime Prevention Training Institute in 1996. He is an instructor for colleges throughout the country, and is recognized as a Crime Prevention Specialist through the International Society of Crime Prevention Practitioners. Art holds a Bachelor of Arts degree in Criminology from the University of South Florida.

Art is a member of many crime prevention and city planning organizations. Art was awarded the Dun Coast Crime Prevention Association Crime Prevention Practitioner of the Year in 2000.
